

## Palazzo Measurement Chart

It refers to the body measurement charts below if you manufacture palazzo/ Pyjama/ Cigarette pants in bulk. However, if you are tailoring it for a client, we highly recommend precise measurements according to the specifications outlined below. While the chart offers industry-standard guidelines, it's essential to recognize that each individual's body type is unique. To ensure a perfect fit, taking explicit measurements is crucial. In this blog post, we've also provided instructions on measuring palazzo size for cutting and stitching.
