Usha Wonder Stitch and Singer M3505 Machine Features

1. Sewing Machine Speed

- **Usha Wonder Stitch:** Boasts a high speed of 860 stitches per minute (SPM), ideal for quick, efficient sewing.
- **Singer M3505:** Runs at 750 SPM, providing steady stitching suitable for a wide range of fabrics, including heavier ones.

2. Stitch Option

- **Usha Wonder Stitch:** Offers 21 built-in stitches, including a four-step buttonhole stitch, perfect for various creative projects.
- **Singer M3505:** Includes 34 built-in stitches, with a one-step automatic buttonhole for versatility in both decorative and practical stitching.

2. Button-hole Stitch Option

- **Usha Wonder Stitch:** Usha Wonder Stitch has a four-step button-hole stitch.
- **Singer M3505:** This has a one-step button-hole stitch. This feature provides an add-on benefit over Usha Wonder Stitch.

3. Design and Portability

- **Usha Wonder Stitch:** Compact and lightweight at 6 kg, ideal for small spaces and easy to carry for on-the-go use.
- **Singer M3505:** Built with a sturdy metal frame for added durability; slightly heavier but excellent for long-term, frequent use.

4. Ease of Use

- **Usha Wonder Stitch:** Comes with a foot controller, manual booklet, and protective hard cover; beginner-friendly and straightforward to operate.
- **Singer M3505:** Features an automatic threader, built-in thread cutter, and an easy-turn dial for stitch selection, simplifying the sewing process.

5. Durability

- **Usha Wonder Stitch:** Made from durable plastic, suitable for regular home use.
- **Singer M3505:** Equipped with a metal internal frame, offering greater durability and stability for heavy-duty sewing tasks

6. Special Feature

- **Usha Wonder Stitch:** Compact design, free arm, ample stitch variety for creative projects, and protective hard cover included.
- **Singer M3505:** Includes a free arm seamer for circular stitching (ideal for cuffs, sleeves, and other curved seams), along with various stitch functions, adjustable stitch length and width for better customization.

7. Ideal For

- **Usha Wonder Stitch:** Perfect for beginners and intermediate sewers who need a reliable, portable machine for light to moderate projects.
- **Singer M3505:** Great for beginners and hobbyists looking for a robust, feature-packed machine capable of handling heavier fabrics and more complex tasks.

7. Price Point

- **Usha Wonder Stitch:** Offers excellent value with essential features, making it an affordable option for those on a budget.
- **Singer M3505:** Priced slightly higher (approximately 2,000 more), this machine provides enhanced functionality and durability, justifying the additional cost if budget allows.

Final Thoughts

When choosing between the Usha Wonder Stitch and the Singer M3505, consider your sewing needs and budget. If you're looking for a budget-friendly, portable, and reliable machine for everyday projects, the Usha Wonder Stitch is a fantastic choice, offering solid performance and essential features. However, if your sewing involves heavier fabrics or you need additional versatility in stitch options and durability, the Singer M3505 is well worth the extra investment. Ultimately, both machines are excellent, so pick the one that best aligns with your creative goals and budget!

- If you want to buy a sewing machine for home use and you have a budget below 14k INR, ? **Go for Usha Janome Wonder Stitch.**
- If you're starting a boutique with a budget of ~17k INR and need a single machine that can handle designer and zigzag stitches, withstand prolonged use, and work on thick fabrics, ? **the Singer M3505 Sewing Machine is your ideal choice.**
